DUOLEC CAN'T BE BEAT
FOR 24/7 GEAR PROTECTION!

Say good riddance to inferior oil that robs your gearboxes of performance. Save time and money with LE's superior Duolec® Vari-Purpose Gear Lubricant. This proven performer features LE's proprietary additive technology, which creates a dual layer of anti-wear and EP protection. In high temps, Duolec remains thermally stable, resists oxidation, and won't create sludge or varnish. It maintains film strength, clings tenaciously to metal and readily separates from water. To experience more performance, less wear and less equipment downtime, go with Duolec!

Duolec Vari-Purpose Lubricant features LE's proprietary additive technology, the backbone of the lubricant.

LE is your one-stop shop for lubrication reliability solutions, including breathers and sight glasses.

LEAP oil analysis monitors oil condition to ensure long-lasting gearbox reliability.

LE's Duolec gear oil clings to gears for nonstop protection.

If you would like to experience LEss downtime, visit www.LElubricants.com to learn more about Duolec® Vari-Purpose Gear Lubricant and LE's reliability solutions.
