

ON TARGET LUBRICANTS

FOOD GRADE OIL & GREASE

Meet H1 requirements without
sacrificing performance.

**Formulated for applications
requiring H1 lubricants, LE's food
grade oils & greases ensure reliable
operation while preventing damage
from severe operating conditions.**

LE's H1 lubricants are registered NSF H1 for incidental food contact, and certified Kosher Pareve and Halal – making them suitable for use in food and beverage facilities.

For more about LE's
high-performance
lubricants, contact
us or visit our
website today.
